

## System of Student Debt Control

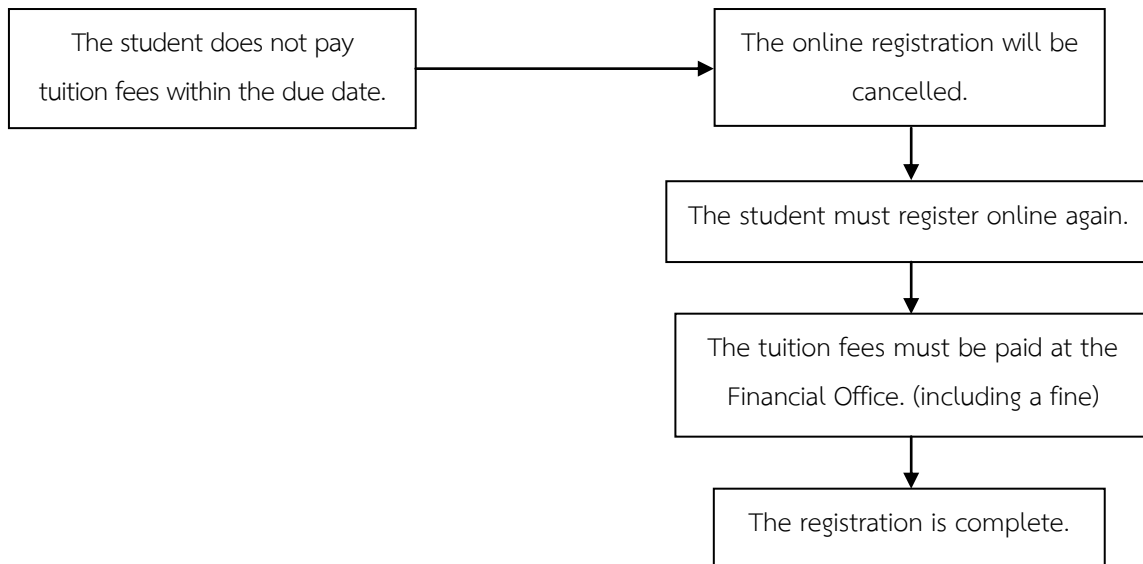

The System of Student Debt Control is set up by the Administrative Committee of Payap University to ensure that students strictly follow the University regulations of paying debt.

### 1. Debt from Registration

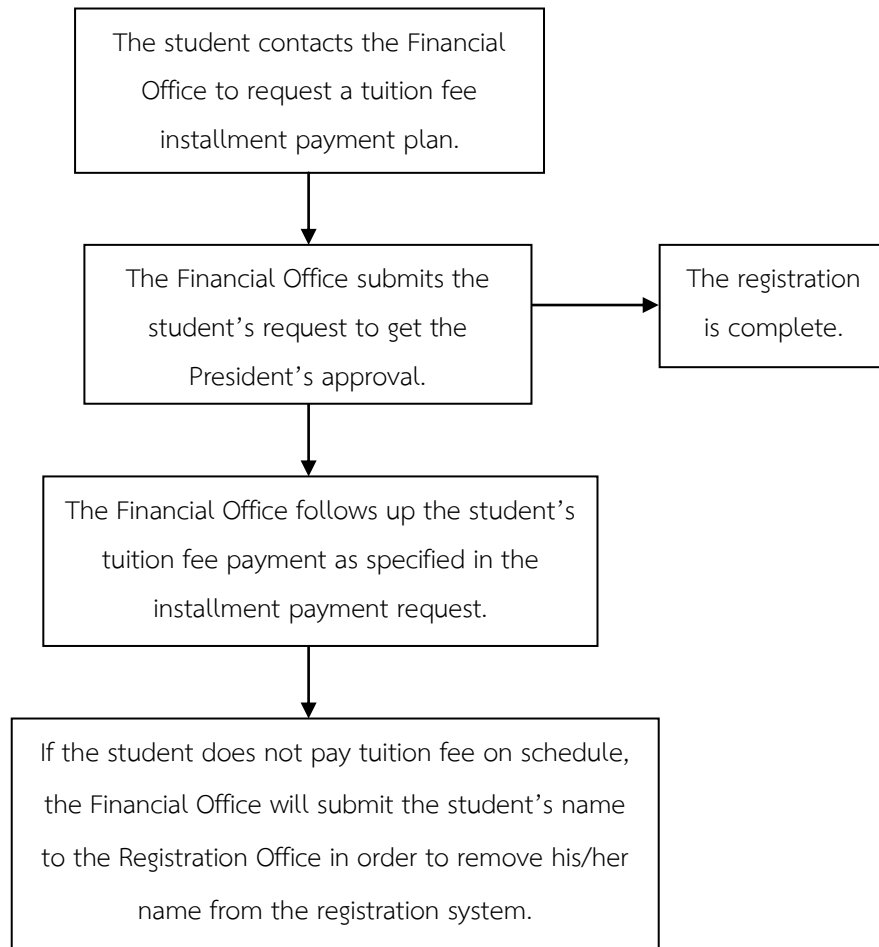

#### 1.1 In the case of students registering online.

#### 1.2 In the case of students not paying tuition fees within the due date.

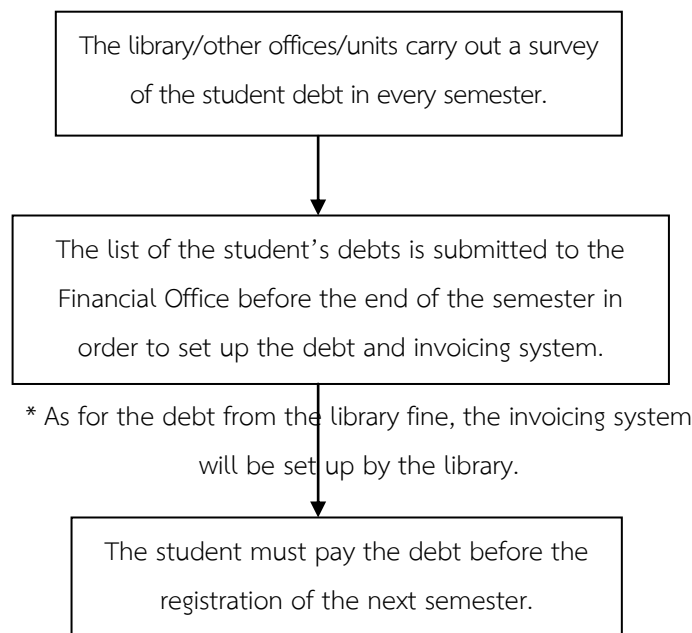

### 1.3 In the case of students having financial problems.

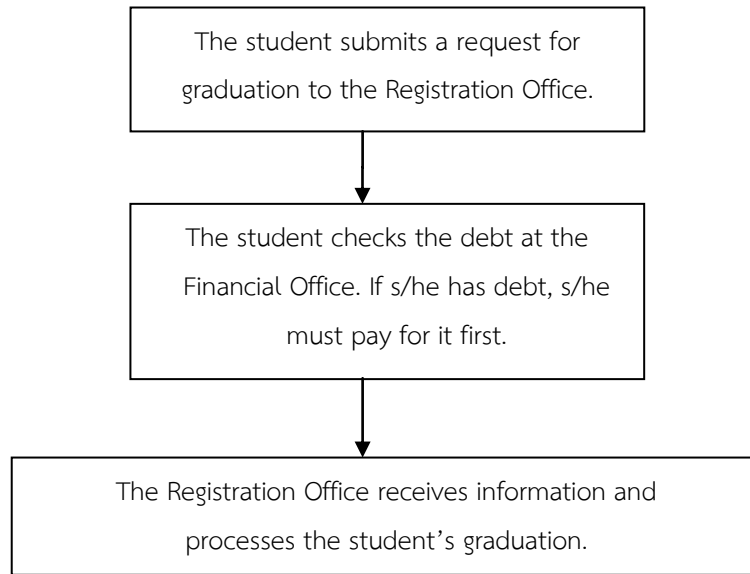

## 2. Debt from the library (fines for books/materials) or fines from other offices/units of the University

### 2.1 In the case of debt during the semesters.

2.2 In the case of students having debt in their last semester.

2.3 In the case of students having debt after s/he submits a request for graduation.
